

# UPSTATE NEW YORK ASSOCIATION OF PHYSICISTS IN MEDICINE, INC

Russell Kincaid PhD, Sanjay Raina PhD, Anh H. Le PhD, Harish Malhotra PhD, David "Nick" Schaaf PhD

## OUR STORY

On August 7<sup>th</sup> 1975 we were established as an AAPM chapter for the Upstate New York region (excluding NYC).

Our growing membership of 150+ members includes: students, fellows, and employed physicists in clinical and academic positions.

## LICENSURE in NY

New York was one of the first few states to license the practice of medical physics.

Specialties include:

- Therapeutic Medical Physics
- Diagnostic Radiological Physics
- Medical Health physics
- Medical Nuclear Physics

## OUR MISSION

Encourage Young Investigators

Host annual meetings and workshops

Represent the professional interests of medical physicists
