

# BECOME AN AAPM CORPORATE AFFILIATE

**Wondering about the best ways to engage AAPM members as you ratchet up visibility within our organization?**

AAPM's Corporate Affiliate program is expanding and we'd like you on board as we partner with industry leaders, embark on new, interactive programming that resonates with medical physicists, and chart a course to broaden current horizons, address challenges, and be a springboard in the future of radiotherapy and imaging.

AAPM members are users as well as thought-leaders who not only influence, but also serve as key decision-makers in the development of new and emerging technology and quality standards.

Here's a snapshot of Corporate Affiliate membership benefits:

## ✓ ACCESS/INVOLVEMENT

- First opportunity to partner on high-profile AAPM activities
- Invitations to Member-only and Leadership events
- Eligible for election to the Corporate Advisory Committee

## ✓ YEAR-ROUND

- Access to AAPM's online Membership Directory
- Company profile listing in AAPM's Corporate Affiliate Directory
- Access to "Member Only" sections of AAPM's website.
- Member-rate job postings on the AAPM Career Center Job Board
- Two complimentary sets of AAPM Member labels annually
- Complimentary subscription to AAPM's *e-News and Medical Physics*
- Newsletter advertising exclusivity
- Your company's corporate logo featured
- AAPM Professional Survey
- Annual Fulfillment Report — a report card on the impact of your marketing dollars

## ✓ ANNUAL MEETING, SPRING CLINICAL, AND SUMMER SCHOOL

- Priority consideration of Annual Meeting exhibit space
- Invitation to the Annual Meeting Exhibitor Preview event in the host city
- Courtesy notice for VIP housing at the Annual Meeting city
- Sponsorship of the Education & Research Donor Lounge at the Annual Meeting
- Sponsorship of Member-only reception at RSNA
- Exhibit booth decal marker outside of your exhibit space
- Corporate Affiliate ribbons for your staff at AAPM meetings
- Recognition in the Annual Meeting on-site program
