

Support for Clinical Residency in Imaging

Sponsored by
The American Association of
Physicists in Medicine

1 Two-Year Grant

Commencing in July 2007

The American Association of Physicists in Medicine (**AAPM**) is pleased to announce the availability of a two-year grant to be made to institutions in partial support of a full-time clinical residency in medical physics (imaging) at the Ph.D. level.

Initial year of funding will not require that the prospective residency program be accredited by the Commission on Accreditation of Medical Physics Education Programs, Inc. (CAMPEP); however, it is expected that by the end of the second year of funding that the approved program will have submitted an application for accreditation or have achieved accreditation.

Complete and Return Application to:
American Association of Physicists in Medicine

One Physics Ellipse
College Park, MD 20740-3846
(301) 209-3350, FAX: (301) 209-0862, <http://www.aapm.org>

Application Deadline: February 1, 2007

2007 APPLICATION FOR SUPPORT OF ONE 2-YEAR CLINICAL RESIDENCY

DETAILS OF SUPPORT

1. One \$36,000 award granted to one institution for support of a clinical residency in medical physics (imaging). The grant of \$18,000 per year is granted to an approved institution in partial support of a full-time clinical residency. It is the policy of the AAPM that none of the funds may be budgeted to Facilities and Administrative Costs.
2. Per AAPM policy, any institution receiving award money from AAPM may not budget any of that money to Facilities and Administrative Costs (indirect or overhead expenses).
3. Residency program must be accredited by the Commission on Accreditation of Medical Physics Education Programs, Inc, (CAMPEP), listed below, or have applied for CAMPEP accreditation by the end of the second year of funding. Full names and addresses of CAMPEP-accredited programs are listed in the AAPM Directory and on the CAMPEP Web Page: <http://www.campep.org>
 - ▶ Mayo Clinic - Rochester, MN
 - ▶ McGill University - Montreal, Canada
 - ▶ Tom Baker Cancer Centre - Calgary, Canada
 - ▶ Cross Cancer Institute - University of Alberta - Edmonton, Canada
 - ▶ University of Chicago Medical Center - Chicago, IL
 - ▶ University of Florida - Gainesville FL
 - ▶ University of Louisville School of Medicine - Louisville, KY
 - ▶ University of Minnesota Medical School - Minneapolis, MN
 - ▶ University of Texas M.D. Anderson Cancer Center - Houston, TX
 - ▶ University of Wisconsin - Madison, WI
 - ▶ Vanderbilt University Medical Center - Nashville, TN
 - ▶ Washington University School of Medicine - St. Louis, MO
4. Grant will be active July 1, 2007 through June 30, 2009.

Application Deadline: February 1, 2007

Application for Support of Clinical Residency in Imaging

Sponsored by
The American Association of
Physicists in Medicine

Application Deadline: February 1, 2007

Institution Information (please print or type all information)

Institution Name: _____

Contact Name: _____

Address: _____

Phone: () _____ Fax: () _____

E-mail: _____

Residency will take place in the following clinical department(s)*:

1. _____

2. _____

Physicist Program Director: _____

Director/Chair of Imaging: _____

This application has the support of the following institutional representatives:

1. Name: _____
Title: _____
2. Name (Administration): _____
Title: _____

The Institution agrees to allocate additional stipend and fringe benefits to provide compensation equivalence as follows:

| YEAR | SALARY | FRINGE BENEFITS |
|------|--------|-----------------|
| 1 | | |
| 2 | | |

Documentation (please read carefully):

On supplemental sheets of paper, the applying institution must provide:

1. Names and relevant information (e.g. curricula vitae, ***no more than 2 pages each***) on faculty/staff that have major responsibilities in the program. In addition, the names and relevant information on all professional physicists who are associated with the program and staffing levels in all physics areas must be indicated.
2. Detailed outlines of the residency program which document conformance with recommendations of the AAPM report, printed in July 1990, titled: "Essentials and Guidelines of Hospital-Based Medical Physics Residency Training Programs" (***no more than five pages***).
3. Anticipated selection criteria and planned didactic instruction for persons without a degree in medical physics. All courses to be taken by the resident should be indicated.
4. Prior experience with **clinical** medical physics residency training, including names and addresses of at least the last three residents.
5. **Please submit seven (7) copies of the full application, including supporting material. Failure to do so will constitute an incomplete application submission and will not be reviewed.**

Application Deadline: February 1, 2007
