

Reported by (Name):	Cynthia McCollough
Organization:	AHRA (The Association for Medical Imaging Management)
Position Title:	Liaison to the AHRA
Activity:	I was unable to attend their annual meeting as the date directly conflicted with the AAPM annual meeting. I did prepare a report to send to them for the meeting and I circulated it to the other liaisons. They did not provide a virtual attendance option, which is a shame.
Meeting Dates:	July 10-13, 2022
Meeting Location:	Phoenix, Az
Payment \$:	None for 2022
Reasons for Attending	<p>The overall goal for participating in the AHRA meeting is to build bridges and advocate for medical physics resident funding in imaging to administrators, for involvement of imaging physicists, and for increased collaboration with AAPM.</p> <p>I also walk the exhibit floor and meet with booth managers to encourage their presence at AAPM meetings.</p>
Issues from Previous Meetings or Year:	Administrators need to be better informed on the role and activities of QMPs. We have had discussions with their education and communication staff people and their president about partnerships. I hope that the new liaison (to be appointed) will continue that conversation in person.
General Description of Activities of the Organization and/or Meeting:	Healthcare Radiology Administrators come together to discuss issues of common importance
Issues for AAPM:	Stay plugged in
Budget Request (\$):	New liaison to attend 2023 meeting
