## Get the latest news about the 2015 World Congress on Medical Physics & Biomedical Engineering!

Are you currently signed up to receive the latest news and important information about the upcoming IUPESM 2015 World Congress on Medical Physics and Biomedical Engineering (WC2015) taking place June 7-12, 2015 in Toronto, Canada? If not, sign up today!

By signing up to receive our World Congress newsletters, you will be first to be notified of important news such as call for abstracts and papers, travel awards, student and young investigator competitions, opening of registration, invited speaker announcements and more! Delay no further - [subscribe today!](#)

## Call for Abstracts & Papers

The call for abstracts and full papers for the World Congress on Medical Physics and Biomedical Engineering is now open! To review the submission guidelines and to complete your submission today, please click on the button below.

[SUBMIT AN  
ABSTRACT / PAPER](#)

## Velfie Contest - Extended until November 30!

Have you seen the fantastic submissions to our velfie contest so far? Check them out on the [WC2015 YouTube channel](#). It's not too late to submit **your velfie** as we have extended the deadline until the end of November!

A huge benefit of participating in the velfie contest is that you can showcase and show off your work as well as help build your resume at the same time! If that isn't enough, we will also be offering prizes for the top three velfies!

Visit the [World Congress website](#) for more details.

### CONGRESS THEMES

Global Health Challenges

Evidence and Health Informatics

Women in Biomedical Engineering and Medical Physics

Urban Health and Future Earth

Next Generation Medicine
