

Proposed Amendment to the By-Laws regarding the Director of the Placement Service

Recommended Amendment:

(Note: underline text indicates addition; ~~striketrough text~~ indicates deletions)

BY-LAWS OF AMERICAN ASSOCIATION OF PHYSICISTS IN MEDICINE (Adopted at Annual Business Meeting, Chicago, Illinois, December 2, 1965)

ARTICLE III: COMMITTEES

Section 7. Professional Council

The Professional Council shall be composed of the chairpersons of the categorical Professional Committees, two additional members, a member of the Science Council as liaison, and a member of the Education Council as liaison, ~~and the Director of the Placement Service as an ex officio member.~~

The categorical Professional Committees shall be established pursuant to the Rules.

The Professional Council shall act as a clearinghouse for professional inquiries addressed to the Corporation by members or outside groups and shall route inquiries to the appropriate categorical Professional Committees. The Professional Council shall consider and make recommendations of professional policy to the Board. It shall formulate specific charges for the guidance and direction of the categorical committees.

Justification:

The Board of Directors has restructured the Placement Service to be a subcommittee of Professional Services Committee. The position "Director of Placement Service" has been eliminated. The Placement Service Subcommittee reports to the Professional Council through Professional Services Committee rather than through a liaison.
