

MIDRC

MEDICAL IMAGING AND DATA RESOURCE CENTER.

SAVE THE DATE!

Town Hall

MARCH 12, 2021 | 11:00 AM TO 12:00 PM CT

Hosted at the University of Chicago, the Medical Imaging and Data Resource Center (MIDRC) is a large-scale de-identified dataset of medical images of COVID-19 patients, and includes support for research projects that capitalize on the valuable dataset it creates. The MIDRC data portal is now live and accepting your data contributions! Please visit www.midrc.org/donate.

Free meeting registration [here](#)

We look forward to answering any questions about DATA CONTRIBUTIONS from the medical community at-large!

MIDRC is funded by the National Institute of Biomedical Imaging and Bioengineering (NIBIB) and is jointly developed by representatives of the American College of Radiology® (ACR®), the Radiological Society of North America (RSNA), and the American Association of Physicists in Medicine (AAPM) for rapid and flexible collection, artificial intelligence analysis, and dissemination of imaging and associated data.
