AAPM Exchange Scientist Program

Host Institution Application Form

To be completed by the Host Institution (not in the USA or Canada) to request an Exchange Scientist,
or by the Exchange Scientist when the visit has already been arranged.

Part I

Host Institution and Address: South Asia Centre for Medical Physics and Cancer Research (SCMPCR), C-17, Anandopur, Thana Stand, Savar, Dhaka 1340 Country: Bangladesh

Name of Contact Person: ___ Prof. Hasin Anupama Azhari ___ Title: _________ PhD __________

Telephone: Country code: __+88__ City code: ___Number(s): ________ 01711841063 ________

FAX: ________________ N/A ____________ email: ___ ahasinanupama@gmail.com____

Please briefly describe the activities you would like the Exchange Scientist to participate in:

The South Asia region with its eight countries (Afghanistan, Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan and Sri Lanka) has approximately one-fourth of the world’s and 40% of Asia’s population. South Asian countries face a big challenge in all four key components of cancer control such as prevention, early detection, diagnosis and treatment. With respect to the global context, about 24.59% populations are present in South Asia area where the incidence of new cases is 10.23 % and the burden of cancer death is 68.85%. This well-known fact indicates that this region of the world requires improving strategies in cancer management as well as to develop qualified manpower for cancer treatment to run the established centers equipped with modern technologies machines.

However, SCMPCR do

Training for Radiation Oncologists, Medical Physicists in Radiotherapy,
Medical Physicists in Radiology and Radiotherapy Technician.

Please indicate special requirements such as special knowledge, language other than English etc:

Qualified Exchange Scientists with > 5- years clinical experience
Will be acquainted any new technology in Radiotherapy. Diagnostic radiology, Nuclear medicine

How soon do you want the scientist to visit and for how long: _3-5 Days  Schedule as follows

Training for Radiation Oncologists April each year
Training for Medical Physicists in radiotherapy March April each year
Training for Medical Physicists in Radiology October/November each year

The title of the training course will be circulated three months prior of the aforementioned schedule.

Please contact Prof. Dr. HasinAnupamaAzhari by e-mail if anyone interested to help

AAPM Exchange Scientist Program

Part II

If you have already made arrangements with the scientist, please complete the following, otherwise go to part III:

Name of Scientist: __________________________________________________________

Address: ________________________________________________________________

________________________________________________________________________

________________________________________________________________________

Telephone number: ________________________________________________________

Part III

The AAPM Exchange Scientist Program is a volunteer, non-funded program. There is no guarantee that an Exchange Scientist will be found within the time frame requested. All expenses are provided or obtained by the Host Institution and/or the Exchange Scientist. All financial arrangements, if any, are to be made directly between the requesting Host Institution and the Exchange Scientist. Activities will be carried out without any financial support from the AAPM. Neither the AAPM, its members, nor its officers will assume liability for any damage sustained by the Exchange Scientist and/or the host institution as the result of activity(ies) associated with this exchange program.

Signature for the Host Institution: ________________________________

Please print name: ____________________________ Dr. HasinAnupamaAzhari

Title: __________ PhD __________ Date: __________ 15th December 2018

Please send the completed form by regular mail, or fax to:

The Chair of the AAPM Exchange Scientist Program Subcommittee.
c/o AAPM
1631 Prince Street
Alexandria, VA 22314
(571) 298-1301 (fax)

or by email to The Chair of the AAPM Exchange Scientist Program Subcommittee.

Sunset date is December 31, 2022 unless extended by ESPS Chair
