

# Setting Physics in Motion

(and having a little fun too)

# SPASC

Student Physicist Association Subcommittee

## Annual Student Meeting

The student meeting is an opportunity for students to meet other students, enjoy a free breakfast, and learn about issues important to students of medical physics.

Dr. Geoffrey Ibbott from the ABR board of trustees will be presenting on the upcoming changes to the ABR's eligibility requirements for certification. This will be followed by an open discussion with our guest panelists, "What is next after grad school? Perspectives and advice on careers in medical physics."

- **Jessica Clements, MS**, Physicist (Diagnostic), Baylor
- **Michael Sharpe, PhD**, Associate Head of Physics, Princess Margaret Hospital
- **Martha Matuszak, PhD**, Physicist (Radiation therapy), William Beaumont
- **Jennifer O'Daniel, PhD**, Physicist (Radiation therapy), Duke.

## Student Night Out

### Heat Ultra Lounge

Come check out the L.A. lounge scene with cocktails, appetizers, local DJ's, and a dance floor.
