The Twelfth Annual Diagnostic Physics Review Course, sponsored by the Continuing Education Committee of the AAPM, will be offered on July 24-25, 1999, during the weekend before the AAPM Nashville meeting. The course will emphasize clinical and applied material and will be taught at a level for individuals who have had graduate training and several years of clinical experience. Upon completion of this course the attendee will be able to assess the strengths and weaknesses of his/her knowledge of the topics listed below. A lecture notebook will be provided to all registrants. Approval for 12 MPCEC hours has been requested from the Commission on Accreditation of Medical Physics Education Programs (CAMPEP).
