

Abstract Ethics Curriculum

Ethics learned from our cultural heritage is not uniform. Ethics learned from our experience or from the experience of others is not uniform. Learning ethics by heritage or experience leads to expectations of others' behavior that leads to conflicts among our colleagues. What is needed is formal didactic training from a uniform curriculum and clear code of ethics which we can all observe.

Objectives

1. Recognize Ethical Behavior
2. Use Ethical Behavior
3. Assist Others by Promoting Ethical Behavior
