

# Practice Quality Improvement (PQI) and MOC

Michael Taylor  
2010 AAPM Annual Meeting  
Speaker Handout

## PQI Components

- Relevance to patient care and/or individual practice
- Identifiable metrics
- Results
- Assessment
- Improvement Plan
- Reassessment

## Basic PQI Steps

1. Collect baseline data
2. Analyze baseline data
3. Implement improvement plan
4. Collect data
5. Gauge improvement
6. Report participation (ABR)
