The Greatest Medical Physics Lecture of All Times

Perry's Pick

January 23, 1896

January 23, 1896
One of The Most Challenging Physics Lecture of All Times

Perry's Pick Again...
In Partnership with Other Medical Physics Teachers to be More Effective and Efficient in Providing Medical Imaging Education
TEACHING is.....

Helping someone build a knowledge structure.

GUIDING and EXPLAINING

EFFECTIVE TEACHING Requires....

TEACHER to GUIDE and EXPLAIN

Visual Representation of Reality (Media)

The Evolution of Medical Physics Teaching

One Teacher's Journey

1958
Small group of students enclosed in a classroom
No technology

2008
Week of July 14th
3000+ resource users
70+ countries
Effective Use of Web-Based Resources to Enrich Classroom and Collaborative Learning Activities
