

AbstractID: 14601 Title: The AAPM Resources for Continuing Education - Increasing Effectiveness for the Future

This presentation will include a discussion of the resources available in the Virtual Library, the opportunities for Continuing Education and SAMs credits on-line, and actions planned or underway to increase the overall effectiveness in meeting the CE/SAMs needs of the membership.

Learning Objectives:

1. The existing resources in the AAPM Virtual Library
2. The current opportunities for CE and SAMs on line through AAPM
3. The plans for future developments in meeting the CE needs of membership through on-line educational experiences.
