Claudio H Sibata, PhD, ACRO, Chair; Michael Kuettel, MD, PhD, ACRO; Tariq Mian, PhD, ACR/ASTRO; and, Julian Proctor, MD, ACR/ASTRO.

There are two accreditation bodies that perform practice reviews specific for radiation oncology: ACR/ASTRO and ACRO. The history and process/procedures for accreditation of these two organizations will be presented from both a Medical Physicist and Radiation Oncologist perspective. In addition, State activities for requiring
