The Specialty Meeting Oversight Subcommittee (SMOSC) has been tasked to review requests for all proposed webinars with the primary purpose of ensuring proposed webinars:

1. Present relevant and timely topics without conflict or duplication,
2. Are scheduled to best utilize staff resources

A webinar is different from a virtual specialty meeting in the following ways:

- A webinar is 2 hours or less in duration on a single topic
- A webinar series is a single topic string of webinars with a defined beginning and end date with no more than one webinar presented per week.
- A webinar does not have breakout rooms.
- No continuing education credit (CAMPEP or SAM) is offered for the content.

SUBMISSION PROCESS

PART 1: CONCEPT APPROVAL

Prior to submitting the request to the SMOSC, applicants must first have approval for the concept of the proposed webinar from one of the following AAPM entities:

- Administrative Council
- Education Council
- International Council
