The Great Lakes Chapter of the American Association of Physicists in Medicine was founded in 1976. Our chapter draws its membership from throughout Michigan, northwest Ohio, and Ontario, Canada. We are fortunate to have a large group of members engaged at the local and national levels of our profession. Additionally, the Great Lakes Chapter boasts 25 fellows of the AAPM.

**GLC Officers**

The executive board of the GLC consists of the following offices: Secretary, Treasurer, Board Representative, President-Elect, and President. The President-Elect serves a one year term before transitioning to a one year term as President, while the other positions serve within two year terms.

GLC Meetings

The GLC hosts several meetings, some of which are held annually:

1. **Spring Meeting/Young Investigators Symposium** – This meeting provides an opportunity for young researchers in the local chapter to present their original research. The top three presenters are recognized with a plaque and prize.
2. **Preliminary MedPhys SLAM Competition** – Chapter competition held to determine our representative at the national meeting.
3. **Fall/Winter Meetings** – Typically focused on a relevant and interesting clinical topic, with invited speakers giving their perspective on the topic of interest. Last year’s topic was “Current and Emerging Challenges in the Field of Medical Physics and Future Directions”

(Above) 2020 MedPhys SLAM Competition was held virtually this year and included judges from outside of the Medical Physics field.

(Above) 2020 Fall Meeting held virtually. “Current and Emerging Challenges in the Field of Medical Physics and Future Directions”
