

Reported by (Name):	Jennifer Smilowitz and Minsong Cao
Organization:	Medical Dosimetrist Certification Board (MDCB)
Position Title:	AAPM Board Liaison
Activity:	Participate in board functions, focus on certification exam.
Meeting Dates:	March, Aug and Nov. Next meeting Aug 2020
Meeting Location:	Virtual meeting for March 2020, potentially the rest of meetings will be virtual.
Payment \$:	Expenses covered by MDCB
Reasons for Attending or not Attending	All board members are required to attend meetings. In addition to the CMDs on the Board, there are 2 AAPM board liaisons, an ASTRO and an ABR liaison.
Issues from Previous Meetings or Year:	A major focus of our work this year is to continue developing interactive exam questions to test examinees in real time on contouring and plan evaluation using third party software i.e. ProKnow. We have obtained additional image data to develop more questions.
General Description of Activities of the Organization and/or Meeting:	The MDCB is the credentialing body for certified Medical Dosimetrists (CMD), as opposed to the AAMD which is the professional organization for CMD. The organizations both support the profession of dosimetry. The MDCB writes and review exam questions and results. The MDCB determines board eligibility for test takers.
Issues for AAPM:	None
