<b>General Description of Activities of the Organization and/or Meeting:</b>	<ol style="list-style-type: none"> <li>1. The committee was pleased to have an ARRT Trustee at the meeting.</li> <li>2. Ann Miller presented an overview of exam development that included additional training in new Volunteer Portal processes.</li> <li>3. The committee reviewed a pool of scored and a pool of pilot items that will be used to create larger pools of both scored and pilot items. The committee carefully reviewed items for relevancy, technical accuracy, and clarity. The committee removed scored items identified as being outdated from the pool, and advised on whether to delete them from the ItemBank or version them for future piloting. The committee noted items that have clueing and/or overlap, and they will be identified as such in the ItemBank. The committee read aloud all pilot items and edited them as needed. Our psychometric team member assisted in this process, noting the committee's recommendations for updates to items in the ItemBank.</li> <li>4. Following the meeting, Exam Requirements and Psychometric staff will create a forms of items based on a statistical review of the items remaining in the pools, and also add pilot items</li> </ol>

The committee looked at, and submitted their reviews for, new items prior to the meeting. The majority were accepted or rejected based on committee ratings. The committee also reviewed items with comments from examinees.</p> <p>6. Ann Miller encouraged the committee to review their Volunteer Portal often and indicate their response for the next meeting.</p>
