

PUBLICATION RATES for individual members of AIP Member Societies • January–December 2016

Acoustical Society of America • American Association of Physicists in Medicine • American Association of Physics Teachers
 American Astronomical Society • American Crystallographic Association • American Meteorological Society • American Physical Society
 AVS—Science and Technology of Materials, Interfaces, and Processing • Optical Society of America • The Society of Rheology

The following 2016 rates are available to all members of AIP Member and Affiliated Societies. For some journals, lower rates are available to members of the sponsoring society. For information, please contact your society headquarters.

RATE INFORMATION FOR ALL JOURNALS

- ALL SUBSCRIPTIONS AT MEMBER RATES ARE FOR PERSONAL USE ONLY.
- Member rates are not available through subscription agencies.
- This list indicates all **AIP Publishing** journals, Member Society journals, and other available publications offering special rates to AIP Publishing Member and Affiliated Societies.
- U.S. subscription rates apply ONLY to United States and its Possessions.
- Non-U.S. Surface Mail subscription rates apply to Canada and Mexico, to countries not served by airfreight, and to subscribers not electing optional airfreight.
- PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.

ORDERING INFORMATION FOR ALL JOURNALS

- **AIP Publishing** and Member Society Journals available exclusively from the **AIP Publishing** must be ordered from:

AMERICAN ASSOCIATION OF PHYSICS TEACHERS (AAPT)

Subscription orders must be sent to: American Institute of Physics, P.O. Box 503284, St. Louis, MO 63150-3284.

American Journal of Physics				
Print & online	0002-9505	12	\$1,193	\$1,329

- Journals available ONLY from **AIP Publishing's** Member Societies must be ordered directly from the respective society.
- Payment must be sent to the correct society as indicated on this price list. If payment is made incorrectly, it will be REFUNDED ONLY—NOT FORWARDED to the correct society for fulfillment.

FOOTNOTES FOR ALL JOURNALS

1. Available to members of **AIP Publishing** Member Societies ONLY.
2. Gratis to members of **AIP Publishing** Member Societies and Society of Physics Students.
3. Available to **AIP Publishing** Affiliated Society members only, including Sigma Pi Sigma Alumni.

MEMBER BENEFITS

The **American Institute of Physics** (AIP) offers a variety of publications and services for physicists, astronomers, and other scientific and technical professionals. These resources include:

- **Physics Today**, the #1 physics publication in the world, free to AIP Society members.
- FYI: The AIP Bulletin of Science Policy News summarizes science policy developments in Washington affecting the physics and astronomy community. Summaries are issued two or more times every week. See aip.org/fyi.
- Reduced subscription rates to **Computing in Science and Engineering**, a joint publication of AIP and the IEEE Computer Society. For subscription information, call 800-344-6902 or 516-576-2270; fax 516-349-9704; or e-mail subs@aip.org.
- Articles when you need them from AIP's **DocumentStore**. To order any article online, see www.documentstore.org.
- **Table of Contents Alerts and RSS Feeds** for AIP journals by e-mail. Go to <http://journals.aip.org> and click on the journal that interests you.
- Job listings (print and online) and employment referral services. Call **AIP's Career Services Division** at: 301-209-3190; fax 301-209-0841; e-mail csv@aip.org; or see www.physicstoday.org/jobs.
- Resources for research in the history of physics. Contact the **Center for History of Physics** at 301-209-3165 or the Niels Bohr Library at 301-209-3177. E-mail; nbl@aip.org. Also, see www.aip.org/history/.

SOCIETY OF PHYSICS STUDENTS

The Society of Physics Students (SPS) is the professional society for physics students and their mentors. SPS is managed by the American Institute of Physics as a service to students and the physics community. SPS membership, through collegiate chapters, is open to anyone interested in physics.

For only \$24.00 (\$30.00 for non-U.S. addresses), you will receive:

- Eligibility for scholarships, travel grants, and other awards
- **Physics Today** (monthly)
- **Journal of Undergraduate Research in Physics Online**
- **SPS Observer**
- Career placement assistance
- Free membership in one AIP Member Society (UNDERGRADUATES ONLY) for up to three years.

To learn the benefits AIP Member Societies offer SPS Members, visit the SPS Website at: <http://membership.spsnational.org>
Members of SPS may subscribe to or purchase, for personal use only, any of the publications listed below at the following rates:

Title	No. of Issues	U.S.	Non-U.S. (Surface)
SPS Observer	4		On Membership
Journal of Undergraduate Research in Physics Online			On Membership
2015 Graduate Programs in Physics, Astronomy and Related Fields		\$82.00	\$92.00
