

PUBLICATION RATES for individual members of AIP Member Societies • January–December 2017

Acoustical Society of America • American Association of Physicists in Medicine • American Association of Physics Teachers
American Astronomical Society • American Crystallographic Association • American Meteorological Society • American Physical Society
AVS—Science and Technology of Materials, Interfaces, and Processing • Optical Society of America • The Society of Rheology

The following 2017 rates are available to all members of AIP Member and Affiliated Societies. For some journals, lower rates are available to members of the sponsoring society. For information, please contact your society headquarters.

- Payment must be sent to the correct society as indicated on this price list. If payment is made incorrectly, it will be **REFUNDED ONLY-NOT FORWARDED** to the correct society for fulfillment.

FOOTNOTES FOR ALL JOURNALS

1. Available to members of **AIP Publishing** Member Societies ONLY.
2. Gratis to members of **AIP Publishing** Member Societies and Society of Physics Students.
3. Available to **AIP Publishing** Affiliated Society members only, including Sigma Pi Sigma Alumni.

MEMBER BENEFITS

The **American Institute of Physics** (AIP) offers a variety of publications and services for physicists, astronomers, and other scientific and technical professionals. These resources include:

- **Physics Today**, the #1 physics publication in the world, free to AIP Society members.
- FYI: The AIP Bulletin of Science Policy News summarizes science policy developments in Washington affecting the physics and astronomy community. Summaries are issued two or more times every week. See aip.org/fyi.
- Reduced subscription rates to **Computing in Science and Engineering**, a joint publication of AIP and the IEEE Computer Society. For subscription information, call 800-344-6902 or 516-576-2270; fax 516-349-9704; or e-mail subs@aip.org.
- **Table of Contents Alerts and RSS Feeds** for AIP journals by e-mail. Go to <http://journals.aip.org> and click on the journal that interests you.
- Job listings (print and online) and employment referral services. Call **AIP's Career Services Division** at: 301-209-3190; fax 301-209-0841; e-mail csv@aip.org; or see www.physicstoday.org/jobs.
- Resources for research in the history of physics. Contact the **Center for History of Physics** at 301-209-3165 or the Niels Bohr Library at 301-209-3177. E-mail; nbl@aip.org. Also, see www.aip.org/history/.
