RSNA Scientific Assembly and Annual Meeting
RSNA/ARR Study Section Reviewers Workshop

What it Takes to be an Expert Reviewer for the NIH
– the Peer Review Process Demystified

Saturday, November 30, 2013
1:00 PM – 5:00 PM
McCormick Place, Chicago
Room E253CD

To register for this session, please visit: http://www.rsna.org/Register.aspx

Learning Objectives
1) Identify the different grant mechanisms available within the NIH and the requirements for submitting to a particular mechanism.
2) List the criteria used in the evaluation of NIH grants and what happens prior to and during a study section review meeting.
3) Articulate the benefits of being a reviewer for the NIH and the different ways that one can be a reviewer.
4) Observe a mock study section presented by the NIH with experienced reviewers evaluating at least two grant mechanisms.
